

School Performance Plan

School Name
 Simmons, Eva G ES

Address (City, State, Zip Code, Telephone):
 2328 Silver Clouds Dr
 N Las Vegas, NV 89031, (702) 799-1891

Superintendent/Assistant Chief: Pat Skorkowsky / Grant Hanevold

For Implementation During The Following Years: 2017-2018

The Following MUST Be Completed:

Title I Status: Served

Designation: NA

Grade Level Served: Elementary

Classification: 3 Star

NCCAT-S: Not Required

***1 and 2 Star Schools Only:** Please ensure that the following documents will be available upon request Use of Core Instructional Materials Scheduling Model School Visits

Members of Planning Team * ALL Title I schools must have a parent on their planning team that is NOT a district employee.

Name of Member	Position	Name of Member	Position
Troy Egbert	Parent	James Merrill	Parent
Latia Bloodsworth	Parent	Angie Oliveros	teacher
Heidi Glicken	support staff	Claire Romzek	teacher
Elizabeth Katten	Principal	Courtney Schoen	Strategist
Christine Calugay	teacher		

COMPONENT I: COMPREHENSIVE NEEDS ASSESSMENT (CNA)

DATA REVIEWED & ANALYZED:

Based on your schools NSPF results, identify what additional data have been reviewed and analyzed in development of the SPP.

Summary Statement: Please provide a brief description for how the analyzed data will impact your Inquiry and Action Planning process.

Simmons Elementary School is a 3 star school. Our demographic data identified Asian (4%), African American (17.4%), White/Caucasian (23.2%), Native American (.2%), Hispanic/Latino (42.4%), Multi-race (11.2%), and Pacific Islander (2%) with a total of 762 students based on the enrollment data in datalab as of 11/2/2016. Our subgroup data revealed students with Free and Reduced Lunch (61%), Individualized Education Plans (14.3 %), and English Language Learners (11.6%).

Students who are identified as English Language Learners are given an English Language Proficiency Assessment (WIDA Access) each year to determine language proficiency. Most students fall into levels 3 and 4. The WIDA Can Do Descriptors can guide teachers in developing differentiated instruction for these students. In 2015-2016, 17 students were assessed at a level 1, 24 students at level 2, 19 students at level 3, 18 students at level 4, 24 students at level 5, and 8 students at level 6.

Students participated in the SBAC assessment in the spring of 2016. The ELA proficiency of our third graders (41.73), fourth graders (48.70%), and fifth graders (49.53%) progressively increases in each grade level. Our girls are demonstrating a higher proficiency level than boys in grades 3-5 (girls 57.99% compared to boys 35.56%) Our overall average proficiency was 46.42% compared to the District's average of 48%. We observed an achievement gap within our Limited English Proficient (LEP) students (24.07%) and our non LEP students (50.51%).

On the math portion of the SBAC, our third graders had the highest percent proficient. Proficiency percentages were as follows: third graders (53.54%), fourth graders (46.96%), and fifth graders (19%). Our boys and our girls demonstrated similar proficiency rates in math in grades 3-5 (girls 49% and boys 47%). Our overall average proficiency was 48.24% compared to the District's average of 38%. We observed an achievement gap within our Limited English Proficient (LEP) students (33%) and our non LEP students (51%). We have outlined steps to decrease our gaps in ELA and math in Goal 2 of our School Performance Plan.

We have started taking i-Ready, a formative assessment measure, this year. Our fall baseline data outlines the percent of students on/above grade level, one level below, and more than one level below in ELA. Our results are outlined as follows: first grade (75%, 25%, 0%), second (58%, 40%, 2%), third (49%, 49%, 2%), fourth (77%, 23%, 0%), and fifth (76%, 23%, 1%) respectively. We look forward to monitoring our student achievement levels, three times per year, as we implement the steps outlined in Goal 1, 2, and 3.

This analyzed data was considered when developing our improvement plan. We need to ensure our students are reading at a proficient level by the end of third grade, and make sure all populations of students are given appropriate instruction that is engaging, rigorous, and aligned to standards. Strengthening the school's instructional program will be our focus.

COMPONENT II: Inquiry Process & Action Plan Design- Priority Need/Goal 1

Based on the CNA, identify all that apply:	<input checked="" type="checkbox"/> General Education	<input checked="" type="checkbox"/> FRL	<input checked="" type="checkbox"/> ELL	<input checked="" type="checkbox"/> IEP	<input type="checkbox"/> Other
---	---	---	---	---	--------------------------------

Priority Need/Goal 1:

Increase Grade 3 proficiency rates in reading.

Root Causes:

Higher level text dependent questions needs to continue to be utilized on a consistent basis in grades 1-5. Additional practice needs to be provided for students on how to solve performance tasks in grades 2-5. Additional data analysis needs to take place to identify students needs for targeted instruction with an increase of Tier II interventions for grades K-5. Tier 2 intervention needs to be provided for all grade levels in order to assist struggling readers. Students need an online component they can utilize at home to increase their literacy skills.

Measurable Objective 1:

Increase the percent of 3rd grade students proficient in reading from 41.7% to 52% by 2017 as measured by state assessments. Updated data will be added in Fall 2017.

Measurable Objective 2:

Increase the percent of 3rd grade students at the established range (50% or higher) from 56.5% on the fall benchmark to 65% on the spring benchmark as measured by AIMS web RCBM benchmark assessment. Updated data will be added in June 2017.

Measurable Objective 3:

Increase the percentage of 3rd grade students that are at a level 3 or 4 on the projected proficiency report from 53% in the fall to 58% in the winter as measured by i-Ready diagnostic assessments. Updated data will be added in June 2017.

Comments:

1.3 Curriculum/Instruction/Assessment (Required)		Continuation From Last Year: Yes	NCCAT-S Indicators:	
Teachers will implement the process of giving students performance tasks 3x a year and will meet as a team to discuss strategies and student performance. Teachers will use I-Ready assessment data analysis to identify areas of deficit for students and implement flexible groupings to address student needs. Teachers will monitor I-Ready usage and incentives will be given to classes that meet the goal of having students on I-Ready for the minimum of 45 minutes per week. Teachers will set up individual goal setting with Accelerated Reader to increase the amount of independent reading that students are engaged in and provide more opportunities for them to read independently. Teachers will utilize Accelerated reader and goal set with students to increase the amount of time reading, specifically targeting boys, to engage them in goal setting and reading more to increase time in text. COMPONENT II: Inquiry Process & Action Plan Design- Priority Need/Goal 2

Based on the CNA, identify all that apply:	<input checked="" type="checkbox"/> General Education	<input checked="" type="checkbox"/> FRL	<input checked="" type="checkbox"/> ELL	<input checked="" type="checkbox"/> IEP	<input type="checkbox"/> Other
---	---	---	---	---	--------------------------------

Priority Need/Goal 2:

Reduce the overall achievement gap percentage points between highest performing and ethnic/racial subgroups in both reading and math, without reducing performance in the highest performing subgroup.

Root Causes:

Additional practice needs to be provided for students on how to solve performance tasks in grades 2-5 in both reading and math. Additional data analysis needs to take place to identify students needs for targeted instruction with an increase of Tier II interventions for grades K-5. ELL students need to have more opportunity to increase their amount of time on Imagine Learning. Additional support for students in the area of conceptual development is needed as a supplement to Tier 1 instruction.

Measurable Objective 1:

Reduce the math proficiency gap between our highest performing supergroup (50.48%) and lower performing ethnic/racial supergroup (34.78%) from 23.62 (2016) to 15.75 (2017) as measured by state assessments (SBAC). Updated data will be added in Fall 2017.

Measurable Objective 2:

Reduce the reading proficiency gap between our highest performing supergroup (46.94%) and lower performing ethnic/racial supergroup (34.78%) from 12.16 (2016) to 16.16 (2017) as measured by state assessments (SBAC). Updated data will be added in Fall 2017.

---	---	---	---	---	---

Priority Need/Goal 3:

Increase the percentage of school-based personnel trained in cultural competency.

Root Causes:

There is a need for training in the area of cultural competency as evidenced by the District student achievement gap data.

Measurable Objective 1:

100% of staff will participate in mandatory cultural competency professional development sessions during the 2017-2018 school year as measured by sign-in sheets.

COMPONENT III: Budget Plan

COORDINATION OF FUNDS TO SUPPORT THE PLAN WITH OTHER PROGRAMS: Provide the sources of funds your school is currently receiving and identify the purposes for which those funds are spent. Sources of funds may include General Budget, Title I , Title II, Title III, Migrant, Immigrant, Neglected & Delinquent, 21st Century After School Programs, Gear Up, IDEA, McKinney-Vento/Homeless, Head Start, state-funded Pre-Kindergarten, Teacher Incentive Fund, Striving Readers, and other state/federal funds.

Source of Funds applicable to Priority Need/Goal	Amount Received for this School Year	Purposes for which funds are used (include targeted audience, specific activities, intended outcomes, etc.)	Applicable Goal(s)
Title I	83,650	Aims web (\$3,500) and DRA assessment tools (\$2740), I-Ready (\$18,500), BURST (\$3,600), Intervention from 2 CTT's (28,600), Reading Eggs and Math Seeds (\$3,000) to support kindergarten students in math and reading, sub release days for collaboration(\$2,400), Accelerated Reader (\$3,287), and technology to support engagement and use of I-Ready (12,337).	Goals 1 and 2

COMPONENT IV: REQUIRED ELEMENTS FOR TITLE I SCHOOLS:

Title I Schools operating a Schoolwide Program must complete Items 1 through 5 on this page.

1. Describe the school's strategies to attract effective, highly-qualified teachers to your school.

We search for Highly Qualified individuals when interviewing applicants and provide support to teachers in the means of additional collaborative time through the use of Title I funds. During the interviews for these applicants we often ask grade-level members to sit in with administration to provide us with feedback on the characteristics that they are looking for in a qualified candidate. In addition, we provide common planning twice a week in order to better support teachers.

2. Describe the school's strategies to increase family engagement in accordance with Section 1118 of NCLB (see resource link), such as family literacy services and the provision to parents on how the school will share academic information in a language they understand.

We provide a Math and Reading training night for parents in which strategies were shared to better assist parents in supporting their children. Monthly newsletters are sent home by the school and weekly newsletters are sent home by the teachers. In addition, Parentlink is utilized to provide increased communication with parents. Parent communications are provided in english and spanish. Parents can now access real-time grades and reports through the use of Infinite Campus.

3. Describe the school's plans for transition and articulation between school programs (ie: assisting preschool children from early childhood programs such as Head Start, Even Start, or a state-run preschool program to elementary school, elementary school to middle school, and middle to high school, etc.).

We have five full day kindergarten programs as well as two KIDS programs to support the transition from home to school. School counselor provides parent meetings in the evenings to support parents with the transition of their children to middle school. She also provides lessons to students that assist with middle school preparation. During the year, middle school and elementary teachers are provided opportunities to collaborate with other PZ feeder schools.

4. Identify the measures that include teachers in decisions regarding the use of academic assessments.

Teachers meet with their grade-level team to develop common assessments in order to provide continuity within the grade-level. Grade-level teams are also provided sub release time for I-Ready and Aims Web assessment data analysis to make decisions regarding reteaching, intervention, and extension and to compare with common assessment data.

5. Provide assurance that federal, state, and local services are coordinated and integrated into the school improvement efforts

All funding sources were implanted in the SPP. Title I funds provided a humanities teacher, 2 CTT's and materials for intervention, technology to support enrichment & technology integration, tutoring in math, & family engagement supplies. Accelerated Reader and I-Ready purchases used to support students in the area of reading.

APPENDIX A - Professional Development Plan

1.1

Read by Three Strategist and Team will provide professional development for K-5 teachers on all of the required components of Read by Three. Sub release time will be given to teachers for collaboration and lesson planning to better support the needs of their students in reading. Second and third grade teachers will be trained for 7 hours prior to their contracted work day to receive training on the new reading series.

Goal 1 Additional PD Action Step (Optional)

2.1

Read by Three Strategist and Team will provide professional development for K-5 teachers on all of the required components of Read by Three. ELL overview of WIDA data and introduction to WIDA "can do" descriptors. Simmons teachers will participate in Cohort B of the rollout of the ELL master plan and participate in 16 after school training sessions to enhance their knowledge of strategies to support ELL students in reading and math.

Goal 2 Additional PD Action Step (Optional)

3.1

All staff will participate in a professional development session.

Goal 3 Additional PD Action Step (Optional)

APPENDIX B - Family Engagement Plan

1.2

Parents will be provided with a literacy night in the fall to see lessons presented from start to finish in order to help child(ren) at home in reading.

Goal 1 Additional Family Engagement Action Step (Optional)

2.2

Parents will be provided with one parent math night to see lessons presented from start to finish in order to help child(ren) at home in reading and math.

Goal 2 Additional Family Engagement Action Step (Optional)

3.2

Goal 3 Additional Family Engagement Action Step (Optional)

APPENDIX C - Monitoring/Evaluation

Priority Need/Goal 1

Priority Need/Goal 1:

Increase Grade 3 proficiency rates in reading.

Measurable Objective(s):

- Increase the percent of 3rd grade students proficient in reading from 41.7% to 52% by 2017 as measured by state assessments. Updated data will be added in Fall 2017.
- Increase the percent of 3rd grade students at the established range (50% or higher) from 56.5% on the fall benchmark to 65% on the spring benchmark as measured by AIMS web RCBM benchmark assessment. Updated data will be added in June 2017.
- Increase the percentage of 3rd grade students that are at a level 3 or 4 on the projected proficiency report from 53% in the fall to 58% in the winter as measured by i-Ready diagnostic assessments. Updated data will be added in June 2017.
