

SOT MEETING MINUTES 4/24/2017

Lack of assistant principal – school district will not fill in until next school year. School district will sub in, in the meantime.
Two openings for special education teachers for next school year.

Computer Refresh:

School district is providing \$70,000.00 dollars to upgrade some computers and buy more chrome books so the 4th and 5th grade students will each have one for one use.

Training:

1. Session – ideas – obstacles – supports – resources.

These are topics that were discussed at a training seminar about what is the purpose of SOT.

Next meeting: 5/22/2017
